## DEAN NIXON, EDDIE CASEY, AND DR. FUESS TO SPEAK AT CHRISTMAS DINNER

The annual Christmas banquet will be held in the Lang Gymnasium on Tuesday evening, December 19, at which the insignia for varsity football will be awarded and the captain of next year's team will be announced.

The guest speakers of the evening are Dr. Claude Moore Fuess, Dean Paul Nixon of Bowdoin, and Coach Eddie Casey of Harvard. Dr. Fuess, the first speaker, is principal of Phillips Academy, Andover, and was recently elected to the Board of Trustees of Governor Dummer. Dean Nixon is an educator, scholar of the classics, and author. He spoke at Governor Dummer at the alumni dinner in June, 1931.

Mr. Casey, the third speaker, has been well known in the east since 1920 as a football coach. A graduate of Exeter and Harvard, he held a series of coaching positions which culminated in 1930 with his election as head coach of the Harvard varsity.

The Glee Club will make its first appearance at the banquet under the direction of Mr. Sager. Mr. Jacob will award the letters and announce the 1934 captain. The boys receiving letters are Richard Seeger, Robert Sommer, William Hutchinson, William Murphy, Minot Shaw, James Malcolm, Oscar Perkins, Harrison Bickford, William Williamson, Henry Petri, Herbert Badger, William Mulliken, Walter Comfort, Phelps Holloway, Paul Comins, John Frank, Philip DeWitt, Clyde Cristman, Russell Brewer, and managers Paul Rutherford and Argyle Scott.

## NOVEMBER HONOR ROLL INCLUDES SIXTEEN NAMES

The honor roll for the month of November, announced by Mr. Nash on December 9, inaugurates the new policy of including the highest sixteen averages instead of the highest twelve.

### *First Honors*

Everett Black  
John Davidson  
Harrison Bickford  
William Dodge  
Randolph Tucker  
Edward Rayher  
Ernest Foss  
Parker Kitchell

### *Second Honors*

George Tryon  
William Whitman  
John Dunton  
Robert Kitchell  
Nicholas Hatheway  
Harmon Hall  
Seth Baker  
Drew King

## OUTDOOR BOARD TRACK IS THIRD WORK PROJECT UNDERTAKEN BY STUDENTS

Carrying out the tradition of the past two years, the student body has this year contributed a board track for winter and spring activities in this sport. This work project is the third of its kind, the first being the draining of the athletic field by the senior class of 1932, and the second being the construction of a new hockey rink last fall.

This year's project may be considered the most ambitious of the three undertakings, since not only more time has been devoted to its completion, but also because the track has required considerable skilled labor. Under the careful leadership and supervision of Mr. Dunning and Mr. Kirk, every effort has been made to make the track perfectly safe and strong enough to stand the hardest wear. Each of the 320 cedar posts has been entirely creosoted and sunk three feet into a layer of hardpan which makes the foundation both staunch and weather-proof.

By careful foresight a group of ten members of the work squad arduously dug a quarter mile of drainage ditches early in the fall. Foresight was again used when the plans were drawn to allow for the construction of a 60-yard straightaway at some future date. As the track now stands there are two 85-foot straightaways connected by semicircles which are banked at an angle of 20 degrees. The distance around the complete oval, measured one foot from the inside edge, is 110 yards. This distance is such that there are sixteen laps to a mile.

In the construction of this project a heavy, creosoted fir timber has been used for the skeleton, and on this are nailed nearly two miles of 1 1-4 inch spruce railing. Although this spruce is a sturdy wood, it is expected that it must be replaced in eight or ten years because of the wear of the track spikes.

Every student in the school has contributed to the construction of this new track. The small group which began the work in the early fall did the bulk of the hard labor, and much credit is due to their loyalty. The squad was increased two weeks before Thanksgiving to twenty, and since the vacation there have been four squads of twenty each working on hour shifts. Each boy in school devotes three hours a week to the construction of the track.

## FALL DANCE TO BE HELD IN GYMNASIUM TONIGHT

The annual Fall Dance will be held in the Lang Gymnasium tonight, and the committee, which is composed of Perry Reynolds, chairman, Richard Segler, Garfield Rae, Randolph Tucker, Richard Sprague, Donald Lawrence, Robert Sommer, and Herbert Badger, have a number of pleasant surprises on hand. The dance is expected to be one of the largest ever held at the Academy.

Dinner will be served for the boys and their guests at 6:30 in the Commons, followed by coffee in the Mansion House, and later refreshments in the gym. Dancing will be from 8:00 until 12:00 to the music of Jack Marchard's orchestra.

Among the guests expected to be present are the Misses Eleanor Clark, Dorothy Waters, Martha Johnson, Jean Rae, Winifred Palmer, Jane Grant, Jeanette Fisher, Catherine Blanchard, Constance Wood, Deborah Sprague, Florence Skillings, Ellen Bruyn, Eileen Kelley, Carolyn Gardiner, Barbara Welch, Janet McNeil, Jean Murphy, Betty Patton, Jean Chalmers, Nancy Locke, Natalie Barnett, Peggy Baker, Mariette Lane, Betty Whipple, Polly Pike, Betty Prescott, Janice Miner, Katherine Ibetson, Margaret Weber, Ester Davidson, Virginia Childs, Betty Best, Barbara Ives, Helen Winslow, and Edyth Cummings.

## UNUSUAL ART EXHIBITION INCLUDES BENSON PAINTINGS

An unusually fine and important exhibition of pictures that the school has had so far has been on view in the Commons and the Noyes Memorial Library since November 20. Twelve water colors by Frank H. Benson, N. A., of Salem, and a representative group of the works of Mons Breidvik, Scandinavian-American artist, are included in the exhibition.

Tea was served in the Commons on Sunday afternoon, December 10, and all persons interested in viewing the pictures were welcome to attend. A similar tea is planned for Sunday afternoon, December 17.

Mr. Benson's water colors replace a collection of marines by his brother, John Benson. Frank Benson, who ranks among the foremost contemporary American artists, is extremely versatile. He is well-known for his oil paintings, water colors, etchings, portraits, and studies of bird life. Following an exhibition of his etchings at the Academy last year, Mr. Benson gave to the school a number of rare

MR. PHILIP H. COBB

Mr. Cobb Is the New Teacher of Biology  
and General Science

and valuable prints from his private collection.

Mons Breidvik recently visited the Academy and spent several days working on the campus, gathering material. He is an authority on colored wood-block printing and enjoys a considerable reputation for his lithographs and portraits. A native of Norway, Mr. Breidvik moved with his family to the United States following the war.

A previous issue of *The Archon* announced that Mr. Breidvik had given to the school two of his lithographs. During his recent visit he expressed his interest in the work that is being done here and added to his gift two etchings of his native land.

### *Morgan Dennis Etchings Find Owners at Academy*

An interesting feature of the exhibition of Morgan Dennis etchings at the Academy is the fact that twenty-six of the prints found owners at the school.

The new heading on the sport page of this issue is the work of Henry Petri, a member of the sketching class.

Mr. Morey Eames, who was elected to membership in the Boston Art Club last spring, had a picture in the Younger Artists of Boston Exhibition, held from November 23 to December 2. "Gloucester Harbor" was the title of Mr. Eames' painting

RANDOLPH TUCKER NAMED  
PRESIDENT OF GLEE CLUB

Randolph Tucker became the president of the Academy Glee Club at an election held Saturday, December ninth. The results of the election were released to *The Archon* by Mr. Sager, the director.

Glee Club rehearsals began a week before the Thanksgiving vacation in preparation for the first appearance of the year on December 19, when the Club will sing several numbers at the Christmas banquet. Forty boys are included in the membership at the present time.

MR. BRADFORD HEADS LIST  
OF SPEAKERS AT VESPERS

Mr. Emery Bradford of Boxford, the speaker at the Sunday Vesper service on October 29, reminded the school of what he had said here before: that the four cardinal virtues are self-respect, self-control, self-reliance, and self-sacrifice. Asking the question, "What is your name?" he answered it with the text, "He that overcometh, to him will I give a white stone, and in the stone a new name written, which no man knoweth saveth he who receiveth it."

Mr. Markham Stackpole, chaplain of Milton Academy, made some suggestions about

work on November fifth. Try to think of it as an opportunity for usefulness, he said. Decide what is to be done and go ahead at once without saying "I can't". Keep at the task in hand; look forward to doing a good life's work; above all, be sure to do a good day's work.

*Draws Comparison From David and  
Goliath Story*

Reverend Laurence Hayward of the Unitarian Church in Newburyport, speaking on November 12, drew a comparison between the story of David and Goliath and the struggle of mankind against the world's wickedness. He first told of David fighting for God and his people, overcoming the "triple-threat" man, Goliath. From this story he derived the moral that the world, more powerful than ourselves, is liable to overcome us. We must put up a very definite fight, and we must not be worried by the tasks which confront us.

On November 19 Mr. John Mayher of Phillips Exeter Academy told of the perfect discipline of the King's College Choir School Boys as they marched to and from the chapel chanting, "Eschew evil, and do good". He then turned to the story of Nebuchadnezzar and the fiery furnace, and showed how we may take a lesson from it.

*Mr. Cary Makes Interesting Analogy  
of Life.*

Reverend George Cary of Bradford made an interesting analogy of life through the characteristics of verbs at the Vesper service on November 26. We must learn to live in the indicative mood, not the subjunctive; in the active voice, not in the passive, in the present tense, not in the past; in the first person, not in the second or third; in the singular, not in the plural.

There are a few things which we cannot find second-hand in life, said Reverend Harry Grimes of the Central Church of Newburyport on December third. We must get culture, education, friendship, home life, and religion first hand. These things must come from within us, through the response we make to the influences about us.

Professor James Cleland of Amherst College spoke on December tenth, declaring that the making of important decisions is the making of a man. When Adam made the decision about the forbidden fruit, it was the rise, not the fall, of man. To give up something bad for something good is comparatively easy, but the problem is to give up something good for something better.

of Special Tutoring Sections and Assists  
in Athletics

HARVARD CLUBS PRESENT  
POPULAR ENTERTAINMENT

The most noteworthy entertainment of the fall term took place Saturday, December ninth, when the Harvard University Instrumental Clubs gave a concert in the Lang Gymnasium before a large audience of students, faculty, and friends of the Academy.

The concert consisted of numbers by the Mandolin Club, Banjo Club, Vocal Club, Pyorrhean Sorority, and last but not least, the Gold Coast Orchestra. The Gold Coast Orchestra was the most popular organization on the program and drew much applause for "Make Believe" and "Puddin' Head Jones". "Goofus" by the Banjo Club will be remembered as one of the high lights of the evening.

On Saturday, November fourth, moving pictures once more afforded a source of entertainment for the school, the picture being "Too Much Harmony", starring the well-known radio singer, "Bing" Crosby.

*John Percival, Bass-Baritone, Sings at  
Academy*

Mr. John Percival, bass-baritone, presented three groups of songs at the entertainment on November 11. Mr. Percival, who was accompanied at the piano by Mr. Reginald Boardman, is among the foremost of Boston's younger singers. Most popular among his selections were "Old Man River" and "Without a Song", both of which were well suited to his powerful voice.

An educational as well as entertaining lecture on earthquakes was given October 28 by Dr. L. Don Leet of Harvard. He first acquainted the school with the rudimentary facts of earthquakes and explained how they are detected and measured. One interesting fact pointed out by Dr. Leet is that earthquakes are instrumental in proving that the earth has a molten core.

*Quartet Presents Program at  
Entertainment*

The Ranger Quartet presented the entertainment on Saturday evening, November 25. The ensemble included the quartet members and a fine pianist. Two of the outstanding offerings on their well received program were the ballad "Lochinvar" and a selection from "Pinafore".

Saturday evening, November 18, brought Tommy Tucker, sleight of hand expert, to the Academy. Some of his tricks were very interesting, and these, combined with the steady stream of humorous chatter, kept the boys well entertained for the evening.

NEWS OF RECENT ALUMNI  
PUBLISHED BY "THE ARCHON"

In an effort to preserve the interest of the Class of 1933, as well as to assist the boys and masters now in school, *The Archon* has taken pains to establish the present address of each member of the class and the latest news of his activities.

Lyman Belknap, Box 592, Williamsburg, Va. Attending College of William and Mary.

Jacob Bond, Chi Psi Lodge, Amherst. Attending Amherst College; initiated into Chi Psi fraternity.

Harry Churchill, 214 Third St., Lowell. Attending Lowell Textile Institute; out for varsity rifle.

Paul Dillingham, 18 Lehman Hall, Williamstown. Attending Williams College; freshman football; Commons Club; out for Glee Club.

Dana Douglass, 3 Smith Hall, Dartmouth College, Hanover, N. H. Attending Dartmouth College; out for soccer.

Calvin Eldred, 410 Streeter Hall, Dartmouth College, Hanover, N. H. Attending Dartmouth College.

Gilmore Farr, 404 Seneca St., Bethlehem, Pa. Attending Lehigh University; pledged to Kappa Alpha fraternity.

Edward Flint, 21 Fletcher Hall, Tufts Engineering College, Medford, Mass.

Roland Gill, Rho Iota Kappa House, Kingston, R. I. Attending Rhode Island State College; pledged to Rho Iota Kappa fraternity; freshman football.

Albert Hessian, Box 922, Williamsburg, Va. Attending College of William and Mary.

Baird Hodgkinson, 15 Windsor Rd., Wellesley Hills. Attending M. I. T.; pledged to Phi Gamma Delta fraternity.

### "THE GREAT END AND REAL BUSINESS OF LIVING"

(The following is an extract from the vesper talk delivered by Mr. Scott Paradise of Phillips Academy, Andover, on October 22.)

"It is a great pleasure to be here this evening and particularly so because to an Andover man a visit to Governor Dummer is like returning to the fountain head and source of his own school. If there had been no Governor Dummer, there might have been no Phillips Academy. And let me say right here that we at Andover are watching with the greatest interest and sympathy the splendid progress you are making.

"I have said there might not have been a Phillips Academy if it were not for Governor Dummer. I say that because in 1767 two boys were studying here, one of whom became the founder of Phillips Academy and the other its first headmaster. And although their teacher, your famous Master Moody, had some peculiar educational ideas, he must have inspired these two young men, Samuel Phillips and Eliphalet Pearson, with some of the ideas they applied to Phillips Academy, ideas which still are potent in the policy of the school.

"They were interesting characters, these two. Let me discuss them just a moment, for I believe that there is in their personalities a lesson of real value for us all. In the first place neither of them was concerned, to the slightest degree, with his personal popularity. Each of them had arrived at a philosophy of life which was so strong, so satisfying, that what other people thought of him mattered not a whit.

"Phillips was stately, reserved, aloof. In

letters he invariably addressed his wife as "My dear Friend", and his sons always wrote to him as "Honored Sir". An even more formidable personage was Eliphalet Pearson, whom the boys called, behind his back we may be sure, by the scarcely endearing name of "Elephant". When on April 30, 1778, Elephant stalked into the carpenter shop which served as our first schoolroom, we may imagine that the thirteen lads gathered there trembled. They beheld a ponderous figure, powerful in physique, domineering, autocratic, exacting in the smallest details, a man thoroughly terrifying and apparently with no milk of human kindness in him.

"These two men were alike in another respect besides their indifference to popularity. They believed in knowing at least one thing well. Consequently they devised a curriculum for their boys that hardly sounds seductive to our modern ears. Latin and Greek and some reading in religious treatises comprised almost the whole course of study. And in his teaching Pearson seemed to follow the theory expressed once by a well-known Andover instructor who announced to his trembling class, 'God made this Latin; now you learn it.'

"A thorough knowledge, even though limited to one field, had made these two minds, just as it will make your mind, agile and comprehensive, sinewy and strong, so that they could handle any problem that arose. Since their studies were largely limited to the classics, Phillips and Pearson showed that it did not matter upon what subject they developed their minds any more than it matters whether you turn to football, track, or hockey to develop your physique.

"Of course we shall never go back to the methods of the old days at Governor Dummer and Andover, and it is right that we should not. But I am convinced that Phillips and Pearson had grasped a sound principle of education which is being lost sight of today; namely, that any subject under the sun will become interesting if you master it, and that very few subjects are interesting if you just toy with them.

"You have a much broader field of choice than Phillips and Pearson had. Pick out the subject that appeals to you, follow it with all your heart, no matter what your friends may say, and the chances are that you will begin to understand that great object which Phillips and Pearson wrote into the Constitution of Phillips Academy and set before their students; you will see what they meant by the words 'the great end and real business of living.'"

## GOVERNORS END GRID SEASON, WINNING SIX OF EIGHT GAMES

### DEERFIELD WINS VICTORY OVER ACADEMY TEAM, 7 - 0, IN FINAL GAME OF SEASON

With six victories to their credit, the Governor Dummer Academy football team brought to a close a successful, eight-game schedule at Deerfield on Monday, November 27, by being defeated 7-0 in a hard-fought game. Lalor made the home team's only touchdown on a cutback over left tackle in the middle of the second quarter.

#### *First Period*

Bill Hutchinson kicked off to McGahan who ran the ball back fifteen yards before being tackled by Captain Dick Segler. A fumbled punt made matters look serious for the Governors, but Coach Jacob's team held, and immediately accounted for a first down on a pass from Hutchinson to Herb Badger. Unable to gain on line plays, the Governors kicked, and Badger downed the safety man in his tracks. Herb showed himself to be one of the best defensive ends the Academy has had for some time, for repeatedly he broke up plays by spilling the interference or by nailing the runner for a loss. Bill Murphy was fine on the offense, as was Segler, who played a stellar game in every department.

#### *Second Period*

On the second play a short pass to Segler was successful, and Dick galloped 60 yards down the field to be tackled by McGahan. Russell, the Green and White kicker, accounted for considerable yardage by placing two successive punts out of bounds on the four-yard line. Hutchinson was badly rushed when he returned the kick, and the Deerfield offense went into action on the Governors' 15-yard stripe.

A beautiful goal line stand followed, with Oscar Perkins, Jim Malcolm, and Bill Williamson playing superior football. The sec-

ondary was weakened when Captain Segler was removed from the game with an injury, but Phil DeWitt took his place and played a great game in the backfield. Lalor, Deerfield's 196 pound ace, after starting on what looked to be an end sweep, suddenly turned and cut back over tackle, and so crossed the Governors' goal for the winning touchdown.

#### *Third Period*

DeWitt received the kick as the second half opened and ran it back to the 30-yard line. The game then settled down to a plunging and sweeping attack, with Segler and Hutchinson getting away for first downs. The Governors were then forced to kick, and Deerfield returned the ball to the middle of the field. Dick Segler, still suffering from his first period injury, again had to leave the game, and the stands gave him a great ovation as he left the field with a brilliant record of three years of varsity football at Governor Dummer to his credit.

#### *Fourth Period*

The home team pressed the Governors hard in the last period, bringing the ball within scoring distance mainly by virtue of superior punting. With a first down on the five-yard line, Deerfield made a tremendous but unsuccessful effort to cross the goal.

The line-up follows:

<i>Governors</i>	<i>Deerfield</i>
Shaw, le (Mulliken, Sommer)	le, Wakefield
Malcolm, lt	lt, Russell (Mauri)
Perkins, lg	lg, Hosmer
Bickford, c	c, Hotchkiss
Williamson (Comfort), rg	rg, Palmer

Segler, (DeWitt), rhb	rhb, Banning
Hutchinson, fb	fb, Lalor

# ACADEMY DEFEATS THAYER, 13-7

## MURPHY SCORES TWICE AGAINST RIVAL ELEVEN IN LAST HOME CONTEST

In a stirring and close contest the Governor Dummer varsity defeated Thayer Academy, 13-7, at South Byfield on Saturday, November 4, bringing the home season to a close. Bill Murphy, a consistent ground-gainer through the line, scored both touchdowns, and Mike Shaw drop-kicked the extra point after the first score.

### First Period

Thayer kicked off, and the ball was put into play on the twenty-yard line after rolling into the end zone. The Governors immediately let Thayer know they were on the field by getting two first downs in five plays. The opposition then stiffened and Bill Hutchinson was forced to kick, but Thayer returned the punt after three plays when Jenkins was unable to make progress on the end sweeps. Hutchinson carried the ball on a wide sweep for a gain of thirty yards, after which the advance to the goal was unbroken, Murphy scoring on a power play from the five-yard line. Shaw drop-kicked the extra point.

### Second Period

On the first play Thayer recovered a fumble, marking the beginning of a bad quarter for the Governors. Blocked kicks forced them back until Thayer took possession of the ball on the Governors' nine yard line, first down. For four downs the Governors held, but another blocked kick was recovered by Johnson behind the goal for a touchdown. Ellis scored the extra point with a placement kick. Almost immediately the Governors were again placed with their backs to the wall when the kick-off was fumbled and Thayer recovered on the five-yard line. However, the home team held for four downs, and the period ended with "Cris" Cristman gaining through tackle.

### Third Period

Hutchinson kicked off to Jenkins, who ran the ball back fifteen yards before being tackled by Captain Dick Segler. After several punts had been exchanged, the Governors started a march down the field which culminated in a touchdown. Time and again Murphy ripped off six, twelve, or fifteen yards at a clip. Then an attack of short passes down the alley from Hutchinson to Cristman seemed to work fairly well, and by tak-

ing five first downs the Governors marched to the goal line, where Murphy scored.

### Fourth Period

In the last period there was no scoring, but Thayer put a scare into the stands when a back picked the ball out of the air and ran unmolested across the goal. Thanks to both teams being off-side, the ball was called back and the game ended shortly afterward with Thayer in possession of the ball on their own 25-yard line.

Score by periods:

	1	2	3	4	Ttl.
Governor Dummer	7	0	6	0	—13
Thayer	0	7	0	0	—7

The line-up follows:

Governors	Thayer

Malcolm, lt	lt, MacDougal
Perkins, lg	lg, Blake
Bickford (Mulliken), c	c, Broughton
Mulliken (Williamson), rg	rg, Whitcher (Spalding)
Petri, rt	rt, Bishop (Kerr)
Sommer, re	re, Abbott
Cristman (DeWitt), qb	qb, W. Spang, Capt.
Murphy, rhb	rhb, C. Spang
Segler, Capt., lhb	lhb, Ellis (Reilly, Baldwin)
Hutchinson (Brewer), fb	fb, Jenkins

## LONG FINAL PERIOD DRIVE DOWNS HARVARD FRESHMEN SECONDS IN CLOSE GAME

A touchdown in the final minutes of play gave the Governors a 7-0 victory over the Harvard Freshmen Seconds in the second home game of the season, played on Friday, October 27. Bill Murphy, running behind perfect interference, took the ball over the goal after a short run of about eight yards, and Mike Shaw kicked the point after the touchdown.

### First Period

Bill Hutchinson kicked off to Fullerton of Harvard who ran the ball back ten yards before he was stopped by Bill Mulliken. Neither team seemed effective on the offensive and punts were exchanged, with Hutchinson kicking for the Governors. Bill Williamson, at guard, aided his team by recovering two Harvard fumbles, but each time the visitors held the Governors and took the ball on downs. Harvard completed two passes for forty

#### THE THAYER GAME

Bill Hutchinson, Carrying the Ball, is About to Evade a Tackler as He Makes a Short Gain Around the End.

yards, and the period ended with the ball on the Governors' 40-yard line.

#### *Second Period*

Strengthening their defense, the Governors held and took the ball on downs. Murphy gained 30 yards off right tackle, immediately followed by Hutchinson who got away for a long run which placed the home team on the ten-yard stripe. However, Harvard held for three downs, and took the ball when a short pass from Hutchinson to Murphy failed.

#### *Third Quarter*

Harvard kicked off to Cristman who ran ten yards. The first play netted eight yards more, and a short pass over center gave the home team a first down. Hutchinson then took the ball over left tackle for a 15-yard gain and threw a pass to Cristman for another six yards. A pass to Segler was completed on the fourth down, but he stepped outside and Harvard took the ball.

#### *Fourth Period*

From Harvard's 41-yard line, Segler took the ball over center for a first down. A slight setback was suffered when Harvard intercepted, but Segler, crossing the field in record time, stopped the interceptor in his tracks. After an exchange of punts, Cristman intercepted a pass over center, and two long passes by Rusty Brewer carried the ball to Harvard's 12-yard stripe. Murphy then dashed through a large hole for the touchdown, and Mike Shaw, who had been playing an excellent game at end, kicked the extra point.

#### GOVERNORS SCORE TWICE TO SUBDUDE MOSES BROWN

Scoring in the first and third periods, the Governors were victorious over the Moses Brown team at Providence, Rhode Island, Saturday, November 18, by a score of 12 - 6.

The Governors opened a passing attack in the first period that carried them to the ten-yard line, but Moses Brown held and took the ball on downs.

The Providence boys kicked from behind their goal, and once more the Red and White filled the air with passes. The combination of Hutchinson to Shaw clicked for 30 yards, and the Governors had a first down on the 15-yard line. Here again Moses Brown put up a stellar defense, but Bob Sommer scored on a reverse off-tackle play from the ten-yard line and gave the Governors their first six points.

Governor Dummer kicked off to Moses Brown, and the Providence team opened with a passing attack of its own. The Blue and White passed to the Governors' 45-yard line, bucked the line a few times, and finally, reverting to the air, scored their only touchdown on an alley pass.

The second half started with a surge from the Governors that ended in another score. With Murphy and Sommer doing the bulk of the ball carrying, the team advanced 60 yards in ten plays. Bill Hutchinson finally skirted the end behind his interference for the score.

BOWDOIN FRESHMEN WIN  
9 - 2 TO HAND GOVERNORS  
FIRST DEFEAT OF SEASON

---

The Governors were defeated for the first time this season when they went to Brunswick, Maine, there to be beaten by the Bowdoin Freshmen by the score of 9 - 2 on the morning of November 11.

Sawyer, quarterback of the Frosh, was responsible for both scores, for he threw a thirty yard pass which resulted in the only touchdown of the day, and neatly booted a placement kick for three additional points. On the Governors' side, Bill Hutchinson and Captain Dick Segler stood out, the one for his long kicks against the wind, and the other for his great defensive work.

The first period was mostly a kicking duel in which the Governors held a slight edge. Once the ball came within scoring distance, but the Cubs held and punted out of danger. It was in the second period, after the ball had changed hands several times, that Sawyer threw a long pass to account for Bowdoin's touchdown. The placement kick for the extra point failed, and the half ended with the score 6 - 0.

*Second Half*

The Governors again threatened to score in the second half and twice brought the ball to the one-yard stripe, only to lose it on downs. Late in the third period Sawyer made good a placement kick from the ten-yard line to credit Bowdoin with a field goal. Although they realized that two touchdowns were necessary for victory, the Governors returned with a drive that carried them to the one-inch line, where they were again held by the strong Bowdoin defense. Sawyer chose to be tackled behind his own goal rather than risk the danger of a blocked kick, and the Governors were given a safety as the game ended.

Because of the Bowdoin-Maine game at Orono on the afternoon of the same day, the freshmen went into action at 9:30 in the morning, in order to permit the Bowdoin supporters to see both games.

---

BASKETBALL PROSPECTS  
ARE BRIGHT AS ACADEMY  
FACES WINTER SCHEDULE

---

Immediately after the close of Christmas vacation winter sports at Governor Dummer will swing into action. The basketball team has an unusually bright prospect because the entire starting line-up of last year is back in

school, including Captain John Frank, Bud-die Kerr, Herb Badger, Harrison Bickford, and Mike Shaw. The problem of reserve strength can be readily solved by Irving Stronach, Jim Malcolm, and John Bemben.

The 1934 schedule follows:

Wed., Jan. 17: Melrose High School, here

Sat., Jan. 20: Pending

Sat., Jan. 27: Phillips Exeter, here

Tues., Feb. 6: Cambridge Latin, here

Sat., Feb. 3: Rindge Tech, here

Fri., Feb. 9: Harvard Junior Varsity, Cambridge

Wed., Feb. 14: Phillips Andover, Andover

Sat., Feb. 17: Harvard Freshmen, here

Wed., Feb. 21: Milton Academy, Milton

Sat., Feb. 24: M. I. T. Freshmen, here

Wed., Feb. 28: Pending

Sat., Mar. 3: Pending

Tues., Mar. 6: Lawrence Academy, Groton

Sat., Mar. 10: Deerfield, Deerfield

The hockey team is handicapped by lack of experienced material. Paul Rutherford is the only member of last year's starting line-up who will be available. Gar Rae, Vasmer Flint, Dick Sprague, Bob Sommer, Bill Hutchinson, Bill Murphy, Clyde Cristman, Albert Learned, and Irving Day are expected to make strong bids for regular positions. The schedule, which is as yet incomplete, includes games with Noble and Greenough, Deerfield, Thayer, Phillips Exeter, Rivers, Brooks, and Belmont Hill.

The new board track will be a decided help to Mr. Sager's track squad, which plans to enter the Harvard Interscholastics, the Bowdoin Interscholastics, and the B. A. A. School-boy meet. Dick Segler and Bill Mulliken are promising candidates.

Several members of last year's fencing squad who should find positions on the team are Harmon Hall, John Hinchman, Drew King, and Wentworth Smith. Meets have been arranged with the Harvard Freshmen, Andover, M. I. T. Freshmen, and B. U. Freshmen.

AWARDS FOR FALL SPORTS  
MADE TO FORTY-FIVE BOYS

---

The awards for the fall term's sports, with the exception of varsity football, were announced at an unusual meeting on Tuesday, November 28. It has become a school tradition to make these awards on the evening before the Thanksgiving vacation. Forty-five boys received recognition.

The annual golf handicap tournament held through the fall was won by Peter Carpenter. He was presented with a replica of the Ed-

ward Shippen Underwood golf trophy, and his name was engraved on the original cup, which remains in the permanent possession of the school. Irving Stronach also received a cup as runner-up in this tournament, while Wentworth Smith received a box of golf balls as the champion of the consolation flight.

Mr. Allen awarded the Reserve squad letters to a group of twenty-one boys. This team's season ended with a record of three wins, two ties, and one loss. Mention was made of the lack of time the team had had to practice together because of the lack of a definite line between the Reserve squad and the varsity.

Mr. Cobb next awarded letters to the Junior team. He made special mention of the outstanding work of Captain Earnshaw, Mickey McMenimen, John Davidson, and Tommy Sanders.

Those receiving letters were:

<i>Reserve Team</i>	<i>Junior Team</i>
Seth Baker	George Bovenizer
George Davis	John Cunningham
Venning Davis	John Davidson
Gerry Dietz	Randolph Dodge
Raymond Dunn	Charles Earnshaw
John Dunton	Marvin Fox
Vasmer Flint

HARVARD FOOTBALL STARS

SPEAK TO ACADEMY TEAM

Captain John H. Dean and Arthur R. Choate of the Harvard football team visited the school on Thursday evening, November second, and spoke briefly to the Academy football squad.

Mr. Choate, a varsity end, told of the three types of end play used by most college teams. Captain Dean stressed the importance of the ends and backs working together to synchronize the offensive play.

RESERVE TEAM COMPLETES  
SEASON WITH THREE WINS,  
TWO TIES, AND ONE DEFEAT

---

With three wins, one tie, and one defeat to their credit, the Governor Reserves battled to a 6 - 6 tie with the Mitchell School on the home field, November 15, and brought a successful season to a close.

The first half showed both teams to be slow in getting started, and neither eleven could get within easy scoring distance. Gar Rae and Don Lawrence made several good gains through the line and around the end through their shifty running. The second half started with more pep, and the Governors put on a sustained march which drove the opponents to their ten-yard line. Gar Rae then crossed the goal on a weak-side sweep, and the extra point failed by an inch when Don Lawrence plunged through center.

The score now being 6 - 0, the Mitchell boys showed more aggressiveness but lost the ball on a fumble on their own 35-yard line. At this point a flat pass was intercepted by a Mitchell lineman, who raced 70 yards for a score. A drop kick was blocked and the score remained tied, 6 - 6. In the last few minutes of play numerous passes were attempted, and Rusty Brewer, substituting for Don Lawrence, completed several long forwards to John Graham and Phil DeWitt.

*Forward Pass Defeats Brooks School  
in Close Game, 6 - 2*

The first victory of the Reserve team season came on October 28 when the Governors took the Brooks School varsity into camp by the score of 6 - 2. Rusty Brewer passed to Bob Sommer to account for the winning touchdown late in the first period.

Both teams were rather slow in getting started, and each produced a fumble before the Governors hit their stride. With Brewer and Vas Flint carrying the ball, the team took on seven league boots and went down to Brooks' 20-yard line. Brooks held for two downs, but on the third play Brewer faded back and threw a long pass. Sommer sprinted across the goal line, threw himself into the air, and came down clutching the ball for the only touchdown of the afternoon.

The second quarter was uneventful, but with the start of the second half the Brooks team began to click. They recovered a kick on the Governors' 20-yard stripe, and in three plays had a first down on the two-yard line. At this point the Governors braced and held for four downs on what appeared to be the one-inch line. Disappointed in their failure

to score, the Brooks line rushed the kicker and blocked the punt, which rolled outside of the end zone and brought in two points for the North Andover team.

The Brooks safety ended the scoring activities for the day, and the Governors were content to go on the defensive and protect their slim lead. Brooks produced an effective attack, but the final whistle still found the Reserves out in front.

The outstanding play of the afternoon was the stand which the Governors made inside their own two-yard line while the Brooks backs pounded the line for four downs.

*Lawrence Scores As Reserves Down  
Topsfield High School*

Winning by the close score of 6 - 0, the Reserve squad defeated the Topsfield High School on Morse field, November first. The lone touchdown was scored by Don Lawrence from the Topsfield 25-yard line during the first half.

Attempting to increase their lead the Governors opened a passing attack, but the Topsfield backs were successful in preventing the team from scoring again. In the third quarter Gar Rae replaced Seth Baker in the backfield and made several good gains through the line. Rae went over the goal late in the same period, but the ball was called back on a holding penalty.

Near the close of the game Vasmer Flint and Phil DeWitt combined to make decided gains through the line on straight bucks, and the final whistle found the Governors advancing in a determined manner.

*Amesbury High School Outclassed  
By Governor Reserves*

In a one-sided battle on November eighth, the Reserves trimmed the Amesbury High School third team, 21 - 0, on the home field. Phil DeWitt, Gar Rae, and Don Lawrence starred for the Governors, and each accounted for a touchdown.

The first quarter clearly showed the Governors to be the stronger of the two teams, and late in the period Gar Rae took the ball over the goal and also scored the extra point. The second half opened successfully when Don Lawrence carried the ball on a center plunge from his own 35-yard line to the Amesbury goal, Rae making the extra point on a line buck.

The longest run of the day occurred when Phil DeWitt intercepted an Amesbury pass and ran 85 yards behind perfect interference for the final touchdown.

**JUNIOR FOOTBALL TEAM  
DEFEATED BY DEERFIELD  
IN SEASON'S FINAL GAME**

Outweighed fifteen pounds to the man, the Junior football team fell before the clever Deerfield Academy Juniors by a score of 39 - 0 on Monday, November 27, thus bringing to a close the 1933 season. Three victories and three defeats stand on the record of Mr. Cobb's first squad, while the second squad was unsuccessful in its only game.

In spite of the fact that the Juniors were out-classed by the heavy Deerfield eleven, they played a fighting game from start to finish. Several times the Governors penetrated into the home team's territory, but were unable to score.

*Juniors Score Second Victory Over  
Brooks School*

The Juniors won their second game by defeating the Brooks School second team, 24 - 0, at North Andover on October 25. Early in the game Henry Graves made a 70-yard run which brought the ball to Brooks' 15-yard line. After four plays Mickey McMenimen took the ball around left end for the first touchdown.

In the second period Captain Earnshaw

scored after hitting the Brooks line for consistent gains. The second half found the North Andover team fighting harder, but soon McMenimen broke loose for a long end run which brought the score to 18 - 0. Late in the game Joe Williamson went through the Brooks left tackle for the final tally. None of the attempts for extra points was successful.

*Deceptive Reverse Plays Aid Thayer  
to Win, 27 - 0*

After being successful in their first two games, the Juniors lost to a more experienced Thayer team on Saturday, November fourth. Triple and quadruple reverses by the well-drilled Thayer backfield were baffling to the home team, and the visitors rolled up a 27 - 0 score.

The first quarter found the Governors under hard pressure, and despite the encouragement of Captain Bill Earnshaw, the opponents were able to score. The second quarter ended with a two touchdown lead for Captain Bruce MacDonald and his Thayer colleagues, and the last half was a repetition of the first.

In the Governors' line John Davidson and Fred Lovejoy played well, supported by a willing backfield of Earnshaw, Mickey McMenimen, and Joe Williamson.

## *The Archon of Governor Dummer Academy*

### *Juniors Win Easily From Light Emerson School Eleven*

Captain Bill Earnshaw led his heavier Junior team to a 19 - 0 victory over the Emerson School on Morse field, November tenth. Marvin Fox starred together with Mickey McMenimen and Joe Williamson in the back-field, while John Davidson and Randy Dodge were the mainstays of the line.

In the early part of the first half the Governors smashed their way down the field to a scoring position, but a fumble ended the threat. Following a quick kick, Earnshaw

and McMenimen made up the lost ground by long end sweeps, and Mickey went over for the first score. McMenimen again scored a few minutes later on a line buck.

### *Swampscott Lightweights Down Junior Eleven*

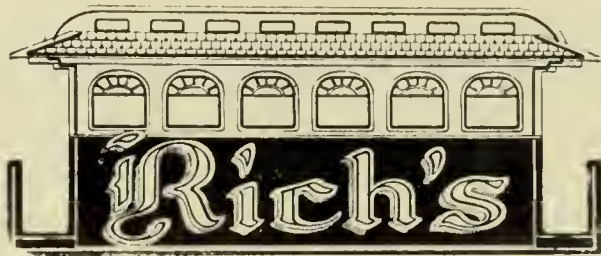

The Governor Dummer Juniors lost their second scheduled game to the Swampscott Lightweights, an independent team from Swampscott, on November 27. The speed and deception of the visitors was baffling to Mr. Cobb's eleven, and the game ended with a 13 - 7 score in Swampscott's favor.

The first tally came when Moore of the visiting team went through tackle for twenty yards. A punt by Captain Earnshaw from behind his goal line was blocked and recovered for the second Swampscott score. In the last few seconds of play Mickey McMenimen scored on a long run from a reverse play, and Earnshaw accounted for the extra point.

### *Junior Second Team Defeated by Emerson School, 12 - 6*

A return game with the Emerson School was played at Exeter on November 17 between the Junior Second team and the Emerson eleven. The teams were more evenly matched in this game, and Emerson gained a 12 - 6 victory over the Governors.
